More than 80 registered members attended the AGM on Saturday June 26 and the minutes will be issued shortly. There were some lively discussions on a variety of topics.

Following the voting the members tucked in to an excellent buffet.

Out-going committee saying thanks and farewell to the members. They received a generous applause from the attending members for their hard work and the successful completion of many needed projects. The out-going Chairman, outlined details of several project which time didn't allow them to complete.

One of the more important projects was the filling the vacancy for a General Manager. We hope the new committee will give this priority in their planned action schedule.

Congratulations to the new Committee, we wish them good luck and extend our support and cooperation for their forthcoming term in the 'hot seat'.
